To whomsoever it may concern,

This is to certify that Pradyumna Bapat has worked as an Intern at Cubyts Technologies Pvt. Ltd. from Jan 17th, 2022 to Jun 17th, 2022, thus completing a total of 20 working weeks at the office.

During the time that Pradyumna worked at Cubyts, he was entrusted with the responsibility to design Cubyts Platform integrations with tools like Slack, Jira & Figma. He has also been involved in evolving gamification strategies to keep users engaged on the platform.

I find Pradyumna to be very diligent and excellent in his work, especially in analysing the design challenge and coming up with creative solutions. He is articulate and communicates his design ideas pretty well.

During his time, he successfully completed various tasks assigned to him. He worked well with his peers and managers.

I will be happy to respond to any queries that anyone may have regarding Pradyumna Bapat's internship at Cubyts. Our best wishes to Pradyumna, and we hope his internship experience has contributed to his growth in becoming a competent & responsible designer.

Sincerely,

Shashank Deshpande,
Co-founder & Chief Business Officer
